Wednesday 11th December, 2013 commencing 18:00 sharp
2013 Annual General Meeting - Refer Page 2 for Agenda

to be held in the

Mechanical Engineering Theatre, The University of Sydney

followed by

Mr Scott Collins

Manager Fleet Projects

Qantas Engineering

Qantas Airways Limited

Presenting

'JQ B787 production and delivery'

The Committee wishes you all the best for the Festive Season and the New Year.

The traditional Christmas Fare will follow the conclusion of the Presentation.

Profile: Scott has worked in the Australian aviation industry for 33 years, starting at the Government Aircraft Factories at Fishermen's Bend. During his 29 years at Qantas he has worked in many roles within Engineering including on site Deliver Manager at Boeing for 747-400 and 767-300 aircraft in the early 1990's. Since 2006 Scott has been the 787 Technical Focal for the Qantas group and is responsible for aircraft specification, production and delivery for all Boeing and Airbus aircraft for the Qantas Group.

RSVP: Registration for the AGM and following presentation is **required**. Please register by clicking on this link:

<https://raesdec13.eventbrite.com.au/> Your registration will be confirmed by email with an attached ticket.

Parking: for both evening is available in the Shepherd St multi-story car park, located on the corner of Cleveland St and Shepherd St. The rate is \$2 per hour (up to \$6 maximum), but note that only gold coins are accepted in some machines. Parking is also available in Sydney University On-Campus Parking for \$2 per hour (up to \$6 maximum). Additionally, free parking is available in surrounding streets. Please observe parking restrictions and allow time to drive to the University of Sydney, park, and walk to the venue.

Public Transport: The closest train station is Redfern station, which is a 10 minute walk away from the venue. Buses 422, 423, 426, 428, 370 and 352 all go past the front of the venue (on City Road). From Railway Square near central station any 42X bus (e.g. 422, 426...) and the M30 will take you to the front of the venue. These buses come quite frequently at that time of night (every 2-5 minutes). But allow time to travel by public transport, including waiting time, and time to walk to the venue.

The Annual General Meeting

Royal Aeronautical Society Australian Division Sydney Branch Inc

to be held on Wednesday 11th December 2013

commencing at 18:00, in the Mechanical Engineering Theatre

The University of Sydney.
